

Community Energy Plan (ACEP) Meeting,
Dinner & a chance to win LEAFS tickets!

S. Burnett & Associates Limited (SBA) has been working with Chippewas of the Thames First Nation on their Community Energy Plan project. The project is funded by the Independent Electricity System Operator (IESO) through the Aboriginal Community Energy Plan (ACEP) program. A community energy plan is a long-term community plan to improve energy efficiency, reduce electricity consumption, and assess opportunities for green energy solutions.

Identify ways to improve energy efficiency and reduce electricity consumption

Evaluate options for green energy solutions

Manage energy costs for the community and its members

We have written this notification letter to inform you about a community meeting scheduled for the evening of:

Tuesday, February 19th, 2018

At 5:00 PM

at the COTTFN Community Centre

Learn tips on how to reduce your energy bills and energy usage!

Dinner and door prizes (LEAFS TICKETS) included!

The meeting will introduce the project team, discuss the goals and schedule of the project and provide time for questions and comments. We hope to see you there!
