

Celebrate. Inspire. Empower.

As a valued business partner, you are invited to the First Annual COTTFFN Red Carpet Business Gala. Please join us for an evening of recognition and inspiring stories to honour Chippewa entrepreneurs and businesses.

With over 50 Chippewa-owned businesses located locally and internationally, the success of our entrepreneurs is achieved through their unique skills, innovation, leadership and collaboration. The Gala will showcase contributions to a wide range of industries — from technology, to food services, to non-profit and government sectors.

Your sponsorship is an investment in demonstrating strong community support for the efforts and perseverance of today's Chippewa business leaders. At the same time, your support is an investment in inspiring the next generation of great minds to carve a path to their goals. We are also looking for sponsored door prizes and 70 swag bags to be handed out.

Our sponsors are critical to launching COTTFFN's first-ever Business Gala. We are pleased to announce several opportunities for sponsorship, outlined in the attached package, with both marketing and promotional benefits. It is the support of organizations like yours that will make the awards possible, and to empower our communities to continue making a difference in the world around us.

Achievement and encouragement awards will highlight both the contributions of our community's mainstays as well as the potential of our rising stars. In doing this we will bring together a diverse audience around common goals that benefit the Chippewa community both at home and abroad. Networking among business veterans and hopefuls will be stimulated by recognizing each other as valuable members of the local and global economies.
