INDEPENDENT AUDITOR'S REPORT

To the Members of the Chippewas of the Thames First Nation

We have audited the consolidated financial statements of the Chippewas of the Thames First Nation as at March 31, 2016 and for the year then ended and reported on under the date of July 27, 2016.

A schedule of Salaries, Honoraria, Travel Expenses and Other Remuneration paid to Elected or Appointed Officials (Annex B) is required to be presented to the membership of the Chippewas of the Thames First Nation pursuant to the funding agreement between Aboriginal Affairs and Northern Development Canada and the Chippewas of the Thames First Nation. Management's Responsibility for Financial Information

Management is responsible for the preparation of this financial information, and for such internal control as management determines is necessary to enable the preparation of financial information that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on this financial information based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform an audit to obtain reasonable assurance about whether the financial information is free of material misstatement.

For purposes of understanding our involvement with Annex B, please note that:

- We have audited and separately reported on the consolidated financial statements;
 - The audit was conducted for the purposes of forming an opinion on the consolidated financial statements taken as a whole;
 - The attached Annex B is presented for the purpose of forming an opinion for the Membership and the Department of Aboriginal Affairs and Northern Development Canada and does not form part of the consolidated financial statements; and
 - Annex B has been subjected to the auditing procedures applied to the audit of the consolidated financial statements taken as a whole.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial information. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial information, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial information in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial information.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
