

CHIPPEWAS OF THE THAMES FIRST NATION

March 18, 2020

NOTICE **EMERGENCY FOOD BASKETS DISTRIBUTION** **UPDATE**

Dear Community Members,

Please be advised that Chippewas of the Thames First Nation has extended its emergency food baskets to off-reserve members. We are only providing **(1) food basket per household to all Chippewa band members.** This is a first come first serve basis. We understand we will not be able to service all members during this time. Therefore, please be patient and we will do our best to ensure all member households will receive assistance, while that may take up to 1-2 weeks.

Distribution will NOW be **Monday March 23, 2020** from **9:00 AM- 3:00 PM** and **Tuesday March 24, 2020** from **9:00 AM – 3:00 PM.**

You will be required to show your status card and proof of address: copy of utility bill with your address information.

Due to precautionary measures, we are only able to provide transportation to on-reserve members and this will include servicing all our seniors/elders or those who do not have access to transportation. You can call the administration office at 519-289-5555, if you need delivery service.

Thank you in advance for your patience and understanding.

Respectfully,

Tammy Deleary
Social Services Director
