

Attention COTTFN Community Members

The Draft Environmental Assessment (EA) for the proposed Southwestern Landfill (SWLF) in Zorra Township, is available for review on our project website www.walkrea.com

Your community's input on the project is an important step of the EA process

How do I find out more about the SWLF EA?

- Background materials about the proposed landfill are available on our project website, as well as available for pick up at 322 Chippewa Rd. Muncey

Stay tuned for a video from Walker in July!

- Video will highlight the Key Findings of the Environmental Assessment and respond to questions and concerns heard from COTTFN
- Additional questions and concerns are welcome until Friday August 28th.

How do I send in questions & concerns?

1. Send them to Walker by email info@walkerea.com
2. Phone them in to Walker at 1 855 392 5537
3. Write them down on paper and deliver them to 322 Chippewa Rd. Muncey
