OJIBWAY LANGUAGE TEACHER/INSTRUCTOR – ANTLER RIVER ELEMENTARY**

The Chippewas of the Thames First Nation Board of Education are accepting resumes for one Ojibway Language Teacher/Instructor position (SK/JK), until **the position is filled.**

BACKGROUND

We are the Anishinaabeg of the territory of Deshkan Ziibiing, also known as Chippewas of the Thames First Nation. We call ourselves Anishinabek which means the original people. We are known as the Ojibway, who are a Nation of the Algonquin language family who originally migrated to the Great Lakes area from the north-eastern region of North America. Our political alliances are with the Odawa (Ottawa) and Bodaywadami (Pottawatomi) who together form the Three Fires Confederacy.

Chippewas is a forward thinking nation with a strong grasp of our traditional values. Through culture, heritage and continued education we are working towards a better future and towards being a self-governing First Nation. As a result, in alignment with our Comprehensive Community Plan (2012), we initiated an Ojibway Immersion program in September of 2018 in our Primary classes. Our staff is a mix of Indigenous and non-Indigenous members who are beginning to work on starting or upgrading our language skills.

We have a modern air-conditioned school with a full-sized double-gym and outdoor track, as well as a full cafeteria and a new Library. Class sizes are small and well stocked with current resources, a Smart Board and ample access to current technology. Special Education support is excellent.
